### **About This Content**

#### **Big Space Sims Need Big Soundtracks!**

The original soundtrack for Void Destroyer was composed by Fractures over the period of two years, and features 50 minutes (22 tracks) of ear candy.

Fully remastered for this release, layers of heavy electronics are combined with cinematic styled arrangements.

**Your Ears Will Thank You.**

Genre: Action, Adventure, Indie, Simulation, Strategy  
Developer:  
Iteration 11  
Release Date: 20 Jan, 2015

a09c17d780

English

---

Amazing soundtrack for a great game. Layers and layers of dark ominous tech goodness. Into the Void, Death Or Glory, Sleepness Nights, and In Front of Reason would be my favorites at the moment.

If you like what you hear in the game trailers then definitely pick this up.
